

Message from the Pastor's

“It Is Well”

When we look at the current condition of our world's economy, we must ask the question, what is going on? Our natural reaction is to resort to the things we know. We start to look at our bank account, our 401-K, our retirement, our stocks and any other form of financial security. The only problem with this is we don't know God's plan. We should be looking for God in the midst of this storm. We must ask the question has America taken its eyes off God? Has this great country gone too far in its desire to be supreme? Has America relied too much on technology and finance for its security? Only God can protect and provide for this world. We don't have the technology to determine what time the seasons change. Our barometers can only measure what God sends. Our calculators cannot calculate the minute or the hour when we will have to answer the question are you ready to meet the Lord? God holds this world in the palm of His hand. As pastor, I want to suggest and recommend as believers, don't get excited about the condition of the world. We shouldn't freak out about the rising cost of living. We shouldn't panic over the changes in weather and storms. As believers these situations should make us focus on God and draw us nearer. Let's use these things as springboards to talk about Christ and a witnessing tool to put Jesus in it. Be motivated by knowing that we know the source, and we have a direct line of communication with Him. Therefore, testify “It is well”. When peace like a river attendeth my way, when sorrow like sea billows roll; whatever my lot, Thou has taught me to say, it is well; it is well, with my soul.

Keep God first and He'll keep you first

Your Humble Servant, Rev. Ned Armstrong Jr., Pastor

***Genesis 1:1-5; 26-27; Psalm 104:13-15; 24;
Isaiah 40:18, 22; Psalm 103:22***

Minister: In the beginning God created heaven and the earth.

Congregation: And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.

Minister: And God said, Let there be Light: and there was light.

Congregation: And God said saw the light, that it was good: and God divided the light from the darkness.

Minister: And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day.

Congregation: And God said, Let us make man in our image, after our likeness: and let them have dominion over all the earth.

Minister: So, God created man in his own image, in the image of God created he him; male and female created he them.

Congregation: He watereth the hills from his chambers: the earth is satisfied with the fruit of thy works.

Minister: He causeth the grass to grow for the cattle, and herb for the service of man: that he may bring forth food out of the earth;

Congregation: And Bread which strengthened man's heart.

Minister: O Lord, how manifold are thy work! In wisdom hast thou made them all: the earth is full of thy riches.

Congregation: To whom then will ye liken God? or what likeness will ye compare unto him?

Minister: It is he that sitteth upon the circle of the earth; that stretcheth out the heavens as a curtain, and spreadeth them out as a tent to dwell in.

ALL: Blessed the Lord, all his work in all places of his dominion: bless the Lord, O my Soul.

Scripture for the Month

To everything there is a season, and a time to every purpose under the heaven: **Ecclesiastes 3:1 King James Version (KJV)**

Thought for the Month

God made a perfect plan when He gave us time and seasons. He declared that the time and seasons should remain so long as the earth remained. Your time on earth matters and His timing is perfect, be sure to watch for the parts of His plan for you. Time and seasons are in God's hands, we just need to trust that He knows when and what is best. Time is running out and since you are still here on earth that means that you have some work to do.
